Clip Art Information: Cut out and laminate for durability. Tape the different behavior levels together.

Measurements were made to fit a class of about 20. If you need to make this larger just cut out behavior labels and glue to colored construction paper to fit your class size.

Colors were based on the information from Rick Morris. For more information on how to use the behavior clip chart go to

http://www.newmanagement.com/ebooks/pdf/clip_chart_ebook.pdf.
